Dated: 22-04-2026

Dear Sh Duhan,

On behalf of the Capacity Building Commission, I would like to express our appreciation to your esteemed organisation for its active participation and valuable support in the successful conduct of Mission Karmayogi SĀDHANA Saptah (2nd–10th April 2026).

We extend our special congratulations on your organization being among the Top 10 performers in terms of course completions during the Sadhana Saptah, reflecting exemplary commitment to learning and capacity building.

Your engagement and contributions have played a significant role in advancing the vision of capacity building under Mission Karmayogi. I also extend my heartfelt congratulations on your enthusiastic involvement during the Saptah. Your Organisation's active participation during the Saptah and on the iGOT Karmayogi platform—alongside 33.4 lakh other learners—reflects a strong commitment to continuous learning and to enhancing public service delivery.

Sadhana Saptah 2026 witnessed an unprecedented scale of engagement, with over 3.1 crore course completions by more than 46 lakh learners. Notably, around 33.4 lakh learners completed over four hours of learning, marking an eight-fold increase compared to the previous National Learning Week. This momentum was further strengthened by 136 thematic webinars and 84 Samuhik Charchas, engaging over 16.4 lakh participants across key themes.

It is also encouraging to note the growing focus on future readiness, with more than 36.6 lakh learners completing at least one AI course, and about 22.8 lakh learners earning the AI Daksh badge, demonstrating increasing institutional preparedness for AI-driven governance. (The list of top-rated AI courses is attached)

The conclusion of this Saptah marks the beginning of a continuous journey of capacity building. In an era shaped by rapid technological advancements, it is imperative that we remain lifelong learners.

As India moves forward with the vision of Viksit Bharat by 2047, our benchmarks must evolve. Our efforts should now be measured by their contribution to building a developed nation, with the speed, scale, direction, and intensity aligned to this national aspiration.

We once again thank your organisation for its commitment and look forward to your continued participation in this transformative journey.

with warm regards

Yours sincerely,

Alka Mittal
